When I say "the other day",
I could be referring to any
time between yesterday
and 15 years ago.

My luck is like a bald guy who
just won a comb.

Yellow 24

A man goes to his doctor, feeling a little ill. The doctor checks him over and says, "I'm sorry but I have some bad news. You have Yellow 24, a really nasty virus. It is called Yellow 24 because it turns your blood yellow and you usually have only hours to live. There's no known cure so just go home and enjoy your final precious moments on earth."

He trudges home to his wife and breaks the news to her. Distraught, she asks him to go to the bingo with her that evening as he has never been there with her before.

They arrive at the bingo and with his first card he gets four corners and wins. Then, with the same card, he gets a line and wins \$320. Next he gets the full house and wins \$5000. Then the National Game comes up and he wins that too, getting \$780,000.

The bingo caller gets him on stage and says, "Son, I've been here 20 years and never seen anyone win four corners, a line, a full house and the National Game on the same card. You must be the luckiest person on earth."

"Lucky?" he screamed. "Lucky?" I'll have you know I have Yellow 24!

"Bugger me", says the bingo caller. "You've won the meat raffle as well."

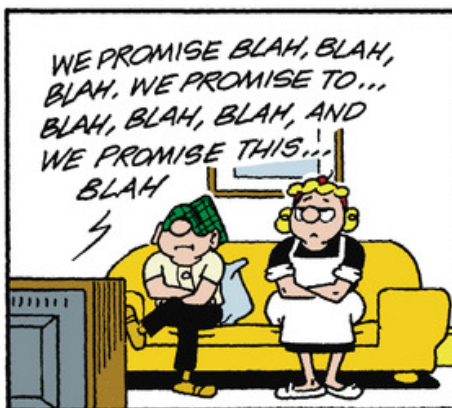

Read in the local rag that local hardware shop was having a sale on Council Recliners.

I got curious about this item, never heard of a 'Council Recliner', so I went to there to find out what these things were ...

Guess what? I've had one in the shed for years! Just hadn't figured out how to use it properly

Interviewer: So, Tell me about yourself.

Me: I'd rather not.. I kinda want this job.

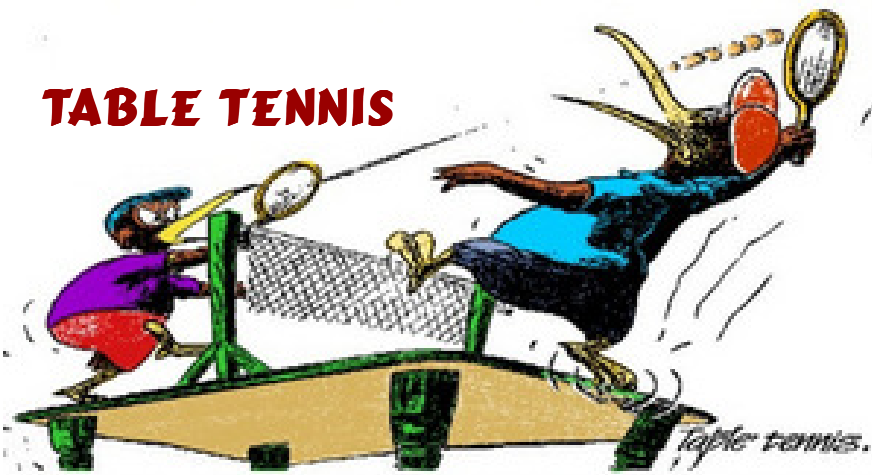

I don't feel old. I don't feel anything until noon. Then it's time for my nap.

TABLE TENNIS

Wellington's "Naked Man" Takes Up Table Tennis

The **Evening Post** in 2001 published the **"Adventures of Naked Man"** each week and invited its readers to submit captions, a selection from which were published the following week. The following was an effort featuring table tennis.

Adventures of Naked Man

Some of the leading captions were:

"It was the strangest method of vasectomy that the other urologists had ever observed."

(This was the winner).

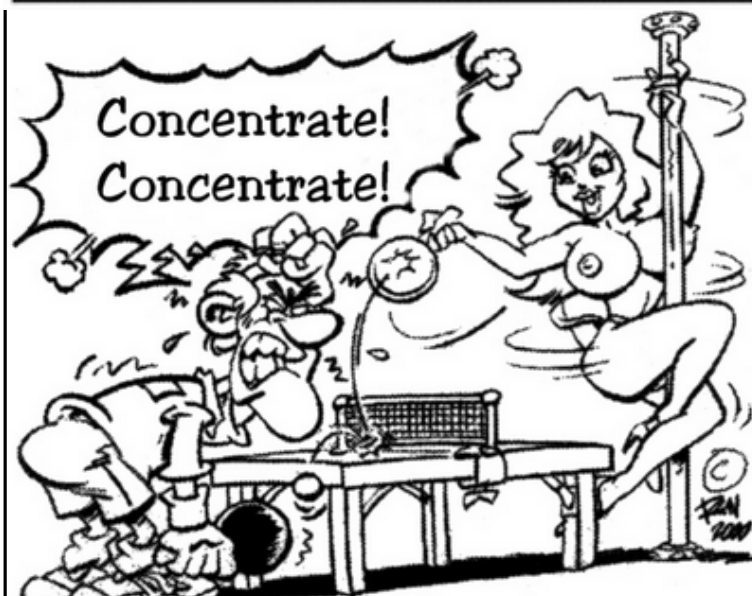

"Bill was suddenly glad he didn't play volleyball."

"It was at that moment Jacob was glad it wasn't archery."

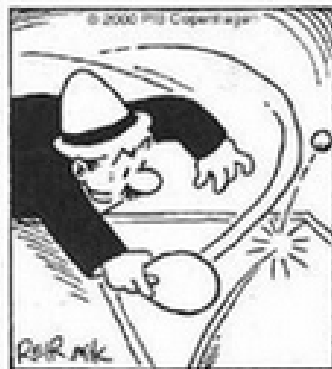

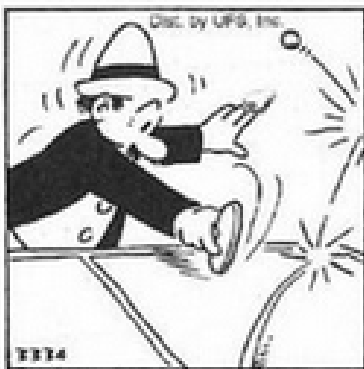

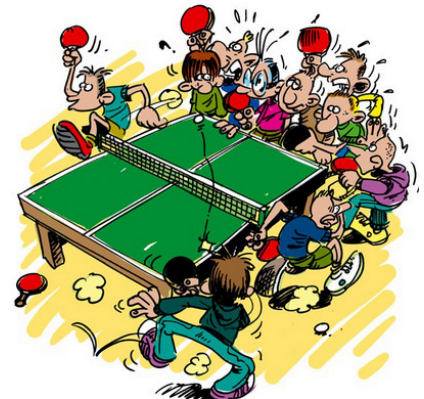

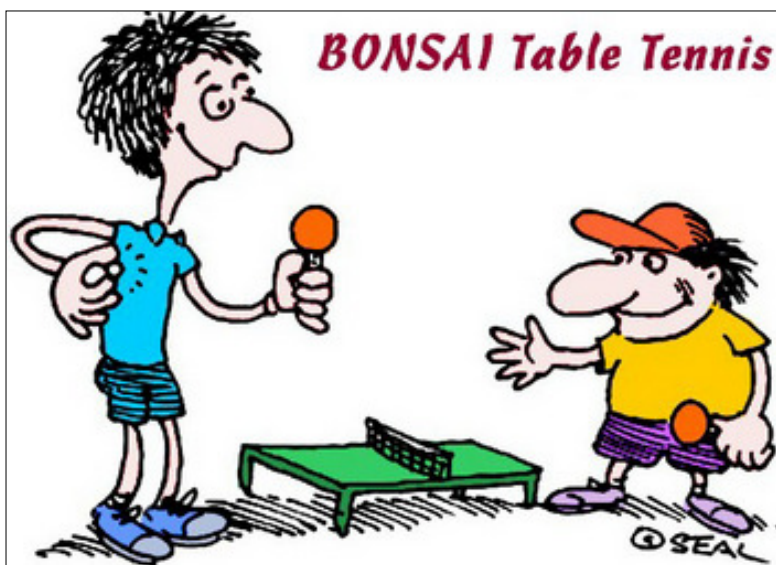

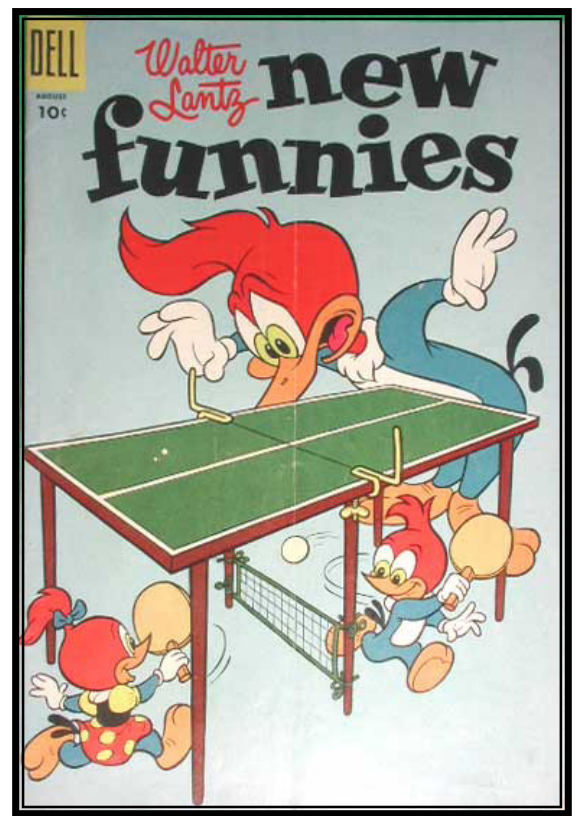

"Temporarily distracted by the Mexican Wave, Naked Man paid a severe penalty."

"Roger misunderstood the coach, who had told him that to score a point in table tennis one had to keep the ball on the table."

There were several submissions of **"Ouch!"**

"I THINK HE NEEDS TO WORK ON HIS ANTICIPATION."

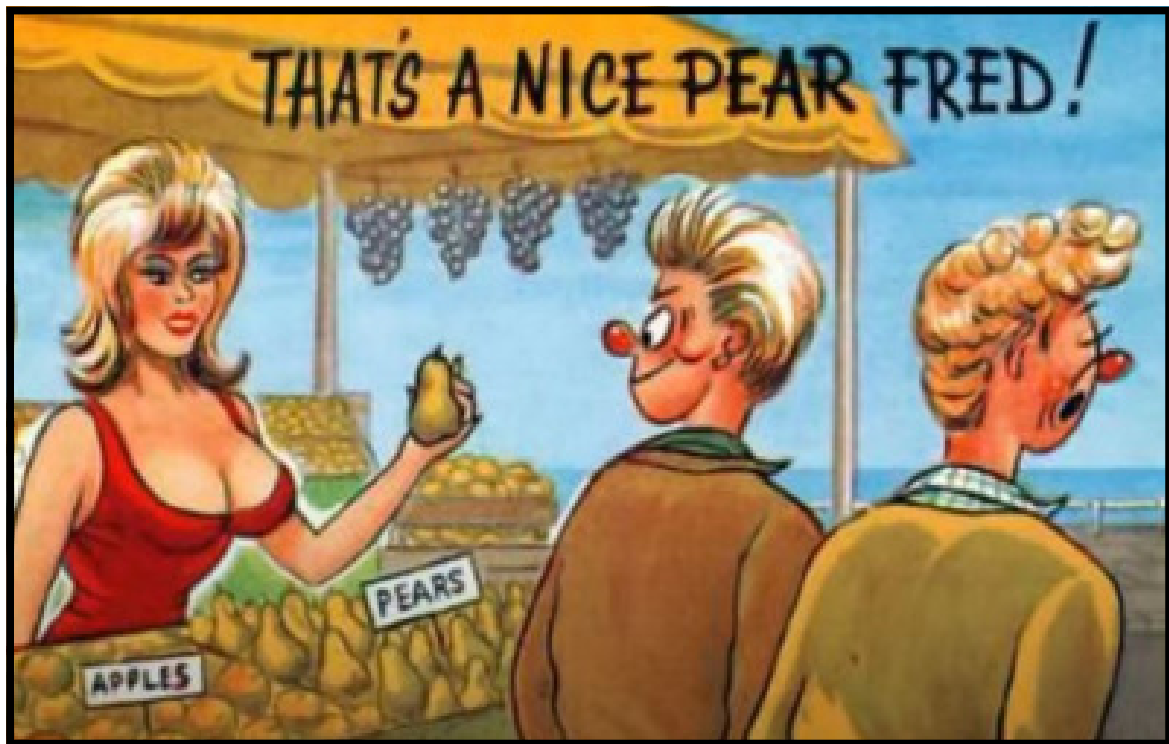

I HAVE just watched the BBC's Jenny Hill reporting on COVID precautions being taken by football teams in Germany, and she said that Eintracht Frankfurt will be disinfecting their balls at half-time. No wonder the infection rate in the UK is so high; we are only told to wash our hands.

By the time a man is wise enough to watch his step, he's too old to go anywhere.

ANDY CAPP

by Smythe

Wife: I am not talking to you.

Husband: OK.

Wife: Don't you want to know the reason?

Husband: No, I respect and trust your decision!

Maybe it's true that life begins at fifty, but everything else starts to wear out, fall out, or spread out.

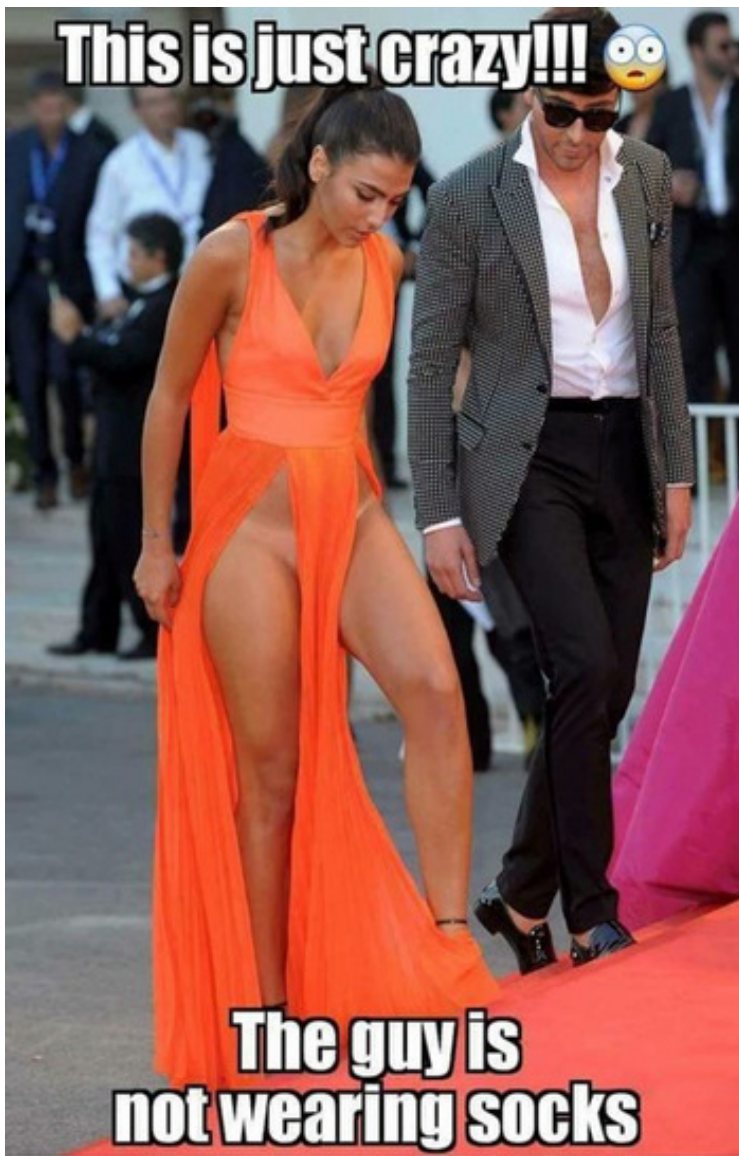

A man takes his wife to get tested.

Two days later, he gets a call from the lab.

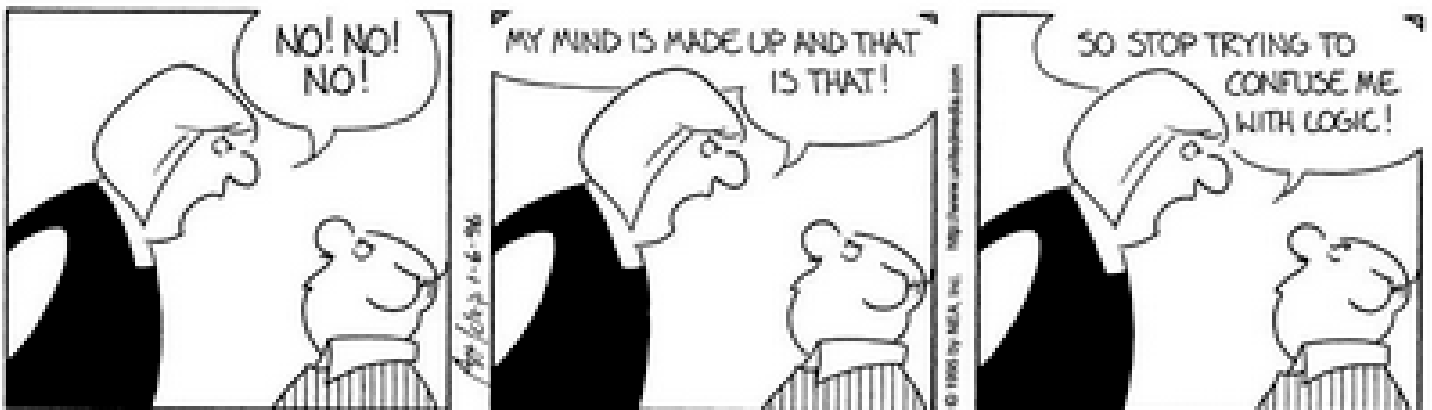

Doctor: I'm sorry to inform you that your wife's test results were mixed up with another patient's. We're not sure if she has COVID-19 or Alzheimer's disease.

Man: So what am I supposed to do now?

Doctor: Take her for a long walk and leave her. If she finds her way back, don't open the door.

The older I get the earlier it gets late.
