The Lock Down Sillies

Mexico is now asking Trump to hurry up with the wall...

I took this picture to share that we still have plenty of bread on the shelves at our local Tesco

TABLE TENNIS WIT

After serves can no longer be
hidden,
Will serve hiders still try what's
forbidden?
Will the players be cool,
With the new service rule?
Just who do we think that we're
kiddin'?

"My lucky shirt-never lost a game with it on!"

Misc Stuff

I was visiting my daughter last night when I asked if I could borrow a newspaper.

"This is the 21st century" she said. "We don't waste money on newspapers. Here, use my iPad".

I can tell you this...that fly never knew what hit him....

Three Old Grannies

Three mischievous old Grannies were sitting on a bench outside a War Vets Retirement Village.

When an old Grandpa shuffled past.

One of the old Grandmas yelled out:

"We bet we can tell exactly how old you are."

The old man said, "There is no way you can guess it, you old fools."

One of the old Grandmas said, "Sure we can! Just drop your pants and under shorts and we can tell your exact age."

Embarrassed just a little, but anxious to prove they couldn't do it, he dropped his drawers.

The Grandmas asked him to first turn around a couple of times and to jump up and down several times.

Then they all piped up and said, "You're 86 years old!"

Standing with his pants down around his ankles, the old gent asked: "How in the world did you guess?"

Slapping their knees and grinning from ear to ear, the three old ladies happily yelled in unison...

"We were at your birthday party yesterday!"

Hit or Miss

A guy stood over his tee shot for what seemed an eternity; looking up, looking down, measuring the distance, figuring the wind direction and speed. Driving his partner nuts.

Finally his exasperated partner says, "What's taking so long? Hit the blasted ball!"

The guy answers, "My wife is up there watching me from the clubhouse. I want to make this a perfect shot."

"Forget it, man-you don't stand a chance of hitting her from here!"

I've found that growing up in the sixtees was a lot more fun than being in my sixtees

WATER IN THE CARBURETTOR

WIFE: "There is trouble with the car. It has water in the carburettor."

HUSBAND: "Water in the carburettor? That's ridiculous "

WIFE: "I tell you the car has water in the carburettor."

HUSBAND: "You don't even know what a carburettor is. I'll check it out."

Where's the car?

WIFE: "In the pool".

I went to our club last night and saw a BIG woman dancing on a table.
 I said, "Good legs."
 The woman giggled and said, "Do you really think so?"
 I said, "Definitely! Most tables would have collapsed by now."
 Cost me 6 more stitches, but...

Six Times the Size

Mr. Perkins, the biology instructor at a posh suburban girl's junior college, said during class, "Miss Smythe, would you please name the organ of the human body, which under the appropriate conditions, expands to six times its normal size, and define the conditions."

Miss Smythe gasped, then said freezingly, "Mr. Perkins, I don't think that is a proper question to ask me. I assure you my parents will hear of this."

With that she sat down red-faced. Unperturbed, Mr. Perkins called on Miss Johnson and asked the same question. Miss Johnson, with composure, replied, "The pupil of the eye, in dim light."

"Correct," said Mr. Perkins. "And now, Miss Smythe, I have three things to say to you. One, you have not studied your lesson. Two, you have a dirty mind. And three, you will some day be faced with a dreadful disappointment."

 TOILET PAPER IS A GOOD

The king wanted to go fishing, and he asked the royal weather forecaster the forecast for the next few hours. The palace meteorologist assured him that there was no chance of rain.

So, the king and the queen went fishing. On the way he met a man with a fishing pole riding on a donkey, and he asked the man if the fish were biting.

The fisherman said, "Your Majesty, you should return to the palace! In just a short time I expect a huge rain storm."

The king replied: "I hold the palace meteorologist in high regard. He is an educated and experienced professional. Besides, I pay him very high wages. He gave me a very different forecast. I trust him."

So, the king continued on his way.

However, in a short time a torrential rain fell from the sky. The King and Queen were totally soaked. Furious, the king returned to the palace and gave the order to fire the meteorologist.

Then he summoned the fisherman and offered him the prestigious position of royal forecaster. The fisherman said, "Your Majesty, I do not know anything about forecasting. I obtain my information from my donkey. If I see my donkey's ears drooping, it means with certainty that it will rain."

So, the king hired the donkey.

And so, began the practice of hiring dumb asses to work in influential positions of government. And thus, the symbol of the democrat party was born.

The practice is unbroken to this very day.

Once upon a time some time ago.....

Taste is the name of the game.

That's what Imperial is all about. This rich tasting whiskey is just a sip smoother than the rest. Hiram Walker makes it that way. Game for taste? Taste Imperial. One of America's largest selling whiskeys.

GOOFY PING PONG

And how to play it.

This is not an official ping pong table, but it was the only "green" table available at the time this photo was made. Actually this is an early Italian Renaissance banquet table. Meat balls were kept in the side pockets.

1. Later, Goofy will show you an official "green" ping pong table.

2. A ping pong ball travels very fast so when you're playing, keep your mouth shut!

3. If you're playing ping pong and the ball goes "pong" instead of "ping," that means you are using the wrong paddle and you are playing *pong ping*. Solution: Change paddles with your opponent.

4. In official games players wear black shirts. These form a background against which the fast-traveling white ball may be seen. So if you don't want to take a chance on losing, wear a polka dot shirt.

5. After you win a game it shows good sportsmanship to leap over the net and shake hands with your opponent.

6. You are probably wondering where ping pong balls come from. Goofy's research tells us they come from the Perennial Ping Pong plant which only grows on the island of Pingo Pongo.

Tips on Playing Ping Pong

1. Ping pong is played on a table. That is why it is sometimes known as table tennis.
2. If you're playing ping pong outside on a windy day, it simplifies the game to use more than one ball.
3. Always use a ping pong ball.
4. If you can't find a ping pong ball, use a gearshift knob.
5. If you use a gearshift knob, wear a crash helmet.
6. Forget the whole thing and go bowling.
