## **GENERAL BUSINESS**

1. Terry thanked Pradip for his services to the Club as Club Captain for the last 4 years & asked the meeting to show their support by acclamation. He also invited Pradip to become a member of the Committee which Pradip accepted & which was agreed to by the meeting.
2. Pradip asked members whether they were interested in participating in a "Mid-Winter" lunch & this was agreed to. The function has been scheduled for Tuesday 27 September & will include partners.
3. Terry advised that Interclub home & away fixtures had now been confirmed, and that these would be added to the programme. The matches against Waikanae & Kapiti would involve 9 players per club (3 teams of 3). The match against Red Star, Masterton would have 12 players per team with Red Star providing 3 of their players to Tawa.
4. As he had become aware that there were now unvaccinated members coming on Tuesdays, Pradip advised that he had been asked about the Club's position on allowing members who were not vaccinated against Covid to attend Club days. He pointed out that the Committee was equally split on this issue & that as retiring Club Captain, he preferred not to influence the decision himself. He therefore asked the meeting to vote on the following 3 options:
  - a) As the Government had removed the vaccine mandate, the Club take no action against unvaccinated members & let all members play, doing so at their own risk
  - b) Reintroduce the vaccine register & decline attendance to those who were unvaccinated.
  - c) Reintroduce the vaccine register & allow all members to play, but require those who were unvaccinated to play wearing masks

The result of the vote was 10 in favour of Option a, 4 in favour of Option b and 1 in favour of Option c, with 6 abstentions.

Pradip therefore confirmed that the Club would continue to operate without any vaccine-related restrictions. Our Interclub opponents would be asked whether they had any Covid restrictions themselves.

There being no further business, the meeting concluded at 11.05 am.

**ANNUAL REPORT YEAR ENDING 31 MARCH 2022**

Welcome to the 56th AGM. This report is for the year ending 31<sup>st</sup> March 2022. 2021-22 was another year dogged by Covid. First it was lockdown, then Level 2, followed by red traffic light system. In all we lost 13 playing days, which comprised 4 winter days and 9 summer days. The attendance was impeded because of Covid during the summer season. The impact was that the club had to dip into its financial reserves for the second year running. More of that will be covered by our Club Treasurer.

### **Membership**

Our club has capped the membership at 50. During 21-22, we had 48 financial members. We welcomed Jocelyn Currie and Maxine Pearson as new members.

### **Game Time**

During our winter season, our attendance was 34 members on Tuesdays and 15 on Thursdays. During summer season, we had an average of 15 members. This is lower than in the recent past because many of our members avoided attending because of Covid risk.

### **Programme**

Interclub. We were able to play only 4 interclub matches. We lost to Kapiti in club v club matches, we won club v club matches against Masterton, and we won social doubles against Kapiti and Waikanae. In

summary, we lost one and won three interclub encounters. It is an above average result. In one of the matches, Maarten won all the five games and, in another match, Peter Clemerson won all the seven games he played in social doubles.

Congratulations to all who participated.
