We have flourished under your leadership and pay tribute to a memorable 10 years as club captain.

During this period we have enjoyed your friendship and TT ability. We have also enjoyed a non stop social programme including in house BBQ's Sports competitions, The World Cup and many more, plus visits to Government House and Rimutaka Prison, what a contrast, The Wine Makers Daughter, Te Papa, Tug Boat on the Bay and many away lunches, mid winter and at Christmas. Top marks for your leadership in celebrating our 50<sup>th</sup> anniversary last year.

You have fostered, promoted and encouraged us all to participate in the clubs social programme.

Under your guidance we have created an enviable reputation with our catering for club visits, well known for variety and quality. You have a great network for becoming aware of upcoming special anniversaries and arranging morning teas for such occasions.

It has been my privilege and pleasure as Treasurer to support you in all your initiatives to enhance our tt and social programme.

If it was your birthday we could conclude with the traditional tune.
